

Docket No. F-8375

Ser. No. 10/509,701

REMARKS

Claims 1-9 remain pending in this application. Claims 1-7 were previously amended herein to clarify the invention to indicate that the sealing seals the circuit board case prior to the information reading step which read the predetermined part on the circuit board. Claims 1 and 8 are amended herein merely to address an informality involving antecedent basis. The word "the" is inserted prior to "sealing device" to provide proper referral to prior antecedent basis.

In accordance with 37 C.F.R. §1.111(a)(2)(i)(E) permitting entry of supplemental replied clearly limited to correction of informalities, entry of the present amendment is respectfully requested. As this is a supplemental amendment, all prior amendment and remarks remain in effect.

Docket No. F-8375

Ser. No. 10/509,701

In light of the foregoing, the application is now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited.

Respectfully submitted,
